

# 2011-2012 Independent Signature Form

The U.S. Department of Education has sent us the results of your FAFSA application which indicated that your signature is missing on the FAFSA. In order to determine your aid eligibility your signature is required.

Please read, sign, and date this form. A correction will be processed with the U.S. Department of Education and a new SAR (Student Aid Report) will be processed. The Financial Aid Office will then be able to work with your file to determine your aid eligibility.

You, the student, by signing this form certify that you (1) will use federal and/or state student financial aid only to pay the cost of attending an institution of higher education, (2) are not in default on a federal student loan or have made satisfactory arrangements to repay it, (3) do not owe money back on a federal student grant or have made satisfactory arrangements to repay it, and (4) will notify your school if you default on a federal student loan.
